Amended 30-Day Post-General Report (10/14/04-11/22/04)

Dear Sir:

This letter is in response to the Commission's preliminary review of the Hall For Congress reports referenced above. Clarification of additional activity not provided on our original reports is below:

- Our committee has always tried to file reports that discloses all of the required information for our receipts and/or disbursements. We have filed amendments to reports in order to disclose any receipts and/or disbursements not disclosed on our original reports due to lack of complete information such as a full address or purpose etc. We have been informed that this is not in compliance with the FEC rules and that all receipts and/or disbursements should be included on the original report and that amendments should be filed only to add information to activity already disclosed on the original report. The Hall for Congress Committee will continue to file reports on time and will report all activity on the original report in order to comply with FEC rules.

Sincerely,

J. Blakeley Hall
Treasurer
